ATREE encourages applications from qualified students from underprivileged and marginalized backgrounds. We will use this information confidentially to assess the diversity of applicants and help us weigh our selections to include candidates from underprivileged backgrounds. We will include the scores from this questionnaire in the overall selection process, but require that all candidates show the required proficiency in the subject matter, aptitude for academic rigor required for a PhD and broad fit with ATREE's PhD programme. In case you do not want to provide this information please circle 'no' below.

Please indicate whether you want to fill this questionnaire: Yes/No

Dimension	Indicator	Yes/No	Proof
Education up to 10th standard	Vernacular medium		School leaving certificate
	State board		School leaving certificate
	Rural areas (defined as areas less than or equal to municipality)		School leaving certificate
